

HAMID MOHAMADI

FRONT-END DEVELOPER

About Me

I'm a front-end developer with 3 years of experience in web development. I started my journey into Front-end development 2 years ago, delving into Tailwind, CSS3, JavaScript ES6, and Git, with a strong focus on React. I'm enthusiastic about being involved in creative projects, equipped with a solid foundation, a can-do attitude, and a keen interest in keeping up with the latest tech trends in web development.
